*1 Metronome (see below)

Boss DB-30

about \$39.00

*A metronome is required for band to use in your personal practice time however a tablet or phone metronome app would work as well. In which case, there would be no need to purchase a stand-alone metronome.

While the school does have keyboard instruments, it is also recommended BUT NOT REQUIRED, that you rent a practice marimba that you can keep at home for practice purposes. We recommend the **Adams 3.0 Octave Academy Series Marimba with Stand** or a similar model. Practice marimbas can be rented from **Lone Star Percussion** or from **Brook Mays** for about \$49.95 per month.

Please try and have these supplies by the first day of school.

Almost every student participates in the private lesson program. If you are ready to start private lessons, please contact Roland Muzquiz at roland.muzquiz@risd.org so we can get you set up.

If you have any questions, please feel free to contact Dave Schmuck at david.schmuck@risd.org.
