

You will perform the Snare Etude and the Rudiments on a Flipgrid video. You can record the entire audition on one video.

Be sure to perform all of the elements with a metronome. Please pick the slowest tempo you need to play with your best accuracy. You do not have to play all of the Rudiments at the same tempo. Make sure we can hear the metronome in the video and that we can see your hands and your face while you are playing.

Your audition video is due by May 8th at 11:59 PM.

Here are the links to the videos to help you with your preparation. These links were also printed on the music.
